| Overall Length:                      |
|--------------------------------------|
| 6.560 inches                         |
| Overall Height:                      |
| 0.750 inches                         |
| Overall Width:                       |
| 4.500 inches                         |
| End Application:                     |
| Computer system, digital an/usq-116  |
| Product Name:                        |
| Pwa, ieee 488                        |
| Unpackaged Unit Weight:              |
| 0.500 pounds                         |
| Specification Data:                  |
| 54779-pl50263 manufacturers standard |
| Shelf Life:                          |
| N/a                                  |
| Unit Of Measure:                     |
|                                      |
| Demilitarization:                    |
| Yes - demil/mli                      |
| Fiig:                                |
| A511k0                               |
|                                      |
|                                      |
