End Application:

Lgm118a

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Cbbl

Product Name:

Wba, stage ii

Special Features:

This item contains "carcinogenic material" (lead) and shall be handled in accordance with osha/requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
