**End Application:**

Lgm118a

**Features Provided:**

Electrostatic sensitive

**Criticality Code Justification:**

Cbbl

**Product Name:**

Wba, stage ii

**Special Features:**

This item contains "carcinogenic material" (lead) and shall be handled in accordance with osha/requirements

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
