## NSN 5998-01-381-8409

Printed Circuit Board Holder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-01-381-8409

Overall Height:
Between 0.548 inches and 0.552 inches
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 federal specification single material response
Surface Treatment:
Chromate and nickel
Surface Treatment Specification:
Mil-c-5541, class 1a military specification 1st treatment response and mil-c-26074, class 4, grade b military specification 2nd treatment
response
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A03600
Mil-std (military Standard):

Mil-c-5541 spec.
