Overall Length:

7.875 inches

Overall Height:

1.500 inches

Overall Width:

2.250 inches

End Application:

Qgr

Product Name:

3.1mhz phase equilizer

Special Features:

One three prong connector on side with color coded wires; 2 female connectos on end at j1 and j4 positions; mounted with 4 brackets

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
