Overall Length:

2.350 inches

Overall Height:

0.330 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.066 inches single mounting facility and 0.071 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Plastic polyamide

Material Specification:

LI-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
