Overall Length:

4.500 inches

Overall Height:

0.375 inches

Overall Width:

4.000 inches

Unthreaded Mounting Hole Diameter:

0.374 inches single mounting facility and 0.381 inches single mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Color:

Natural

Material:

Steel comp 316

Material Specification:

Qq-s-766 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
