**End Application:**

Gp a combat talon ii

**Features Provided:**

Electrostatic sensitive

**Criticality Code Justification:**

Cbbl

**Product Name:**

Printed circuit board assembly-light dimmer

**Special Features:**

Nha is 7406-47410-3 control, electrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
