**Overall Length:**

1.840 inches

**Overall Width:**

0.150 inches

**Unthreaded Mounting Hole Diameter:**

0.069 inches single mounting facility and 0.073 inches single mounting facility

**Mounting Facility Type And Quantity:**

2 unthreaded hole single mounting facility

**Special Features:**

Right card guide

**Material:**

Copper alloy 172

**Material Specification:**

Qq-c-533 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
