Overall Length:

1.840 inches

Overall Width:

0.150 inches

Unthreaded Mounting Hole Diameter:

0.069 inches single mounting facility and 0.073 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Special Features:

Right card guide

Material:

Copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
