Electrical Card Holder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-01-444-1377

#### **Overall Length:**

1.840 inches

## **Overall Height:**

0.150 inches

### **Unthreaded Mounting Hole Diameter:**

0.069 inches single mounting facility and 0.073 inches single mounting facility

#### Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

#### **Special Features:**

Left card guide

#### Material:

Copper alloy 172

**Material Specification:** 

Qq-c-533 federal specification single material response

#### Shelf Life:

N/a

Unit Of Measure:

# Demilitarization:

No

---

# Fiig:

A03600
