End Application:

Standard terminal automation replacement system (stars)

Special Features:

Function, printed circuit board, high voltage regulation, p-board, fru model name, ddma-p1a; reference data, ti-6190.56, instruction book, color arts display, table 8-6, pg 8-8

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A500m0
