Overall Height:

0.240 inches

End Application:

Jointstrsrd, e/ifscm27963

Features Provided:

Electrostatic sensitive

Special Features:

Mgfrnameforitem, printedwiringsubassemblyclockonchipmain (ocms) boardb

Special Markings:

Identifyassywhereshownpermil-std-130, usingyellowepoxyink, conformingtomil-i-43553

General Description:

Caution-electrostaticsensitivedevice; removeelectrostaticprotectionatuseorinprotectedarea; reusepackagingmaterialsfortheunserviceableitem; seedod-hdbk-263forprotectivehandlingortestingforthisitem

Specification Data:

27963-mil-p-28809-revf government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
