Overall Length:

6.550 inches

Overall Height:

0.235 inches

Overall Width:

4.850 inches

End Application:

Armored recon-airborne assa (2350-01-436-0005)

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11: 6061-t6 federal specification single material response

Surface Treatment Specification:

Mil-c-5541, class 3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
