**End Application:**

Sonar detecting set

**Features Provided:**

Arc quenching

**Product Name:**

Module no. 2 assembly

**Special Features:**

0piezoelectric ceramic; edging piece assembly; solder, tin alloy .031 dia; wire ribbon; flux, soldering, liquid; test projector assembly; adhesive, cyanoacrylate, solventless; methyl-chloroform; insulation tape, electrical, .25 wide; coating compound

**Specification Or Standard:**

Alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
