Overall Length:

9.350 inches

Overall Height:

0.790 inches

Overall Width:

10.550 inches

End Application:

53560001-001, lighting control unit

Product Name:

Circuit card assembly 5 volt dc lighting control

Specification Data:

2j622-dod standard 100 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
