Body Style:

Extractor

Overall Height:

1.500 inches

Overall Width:

0.250 inches

Unthreaded Mounting Hole Diameter:

0.094 inches single mounting facility

End Application:

Cmup block d; w/s aircraft, b-1b

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Special Features:

Right side; board thickness 0.094 in; bent leg

Color:

Black

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
