Overall Height:

3.500 inches

Overall Width:

19.000 inches

End Application:

Ssv20-xo233 machinery plant control and monitoring system

Product Name:

Tanonet i/o processor assembly

Special Features:

Circuit card assembly is part of the wlm starboard z-drive remote terminal unit (rtu) no. 8

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
