**Overall Height:**

3.500 inches

**Overall Width:**

19.000 inches

**End Application:**

Ssv20-xo233 machinery plant and monitoring system

**Product Name:**

Tanonet i/o processor assembly

**Special Features:**

Circuit card assembly is part of the wlm remote terminal unit (rtu) no. 4 aft port ship service generator room

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
