Overall Length:

4.750 inches

Overall Width:

3.375 inches

End Application:

Used on 3com desktop pc

Features Provided:

Electrostatic sensitive

Product Name:

Ethernet card

Special Features:

Network interface card; operating temp 32 degrees f - 150 degrees f; 10 to 90 percent humidity; standard thickness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
