Overall Length:

13.700 inches

Overall Width:

14.000 inches

End Application:

Test system

Product Name:

Wide field of view uniformity source (wfvus)

Special Features:

Hand in accordance with mil-std-1686 or specification 093-004451

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
