End Application:

Waters class tags-45

Product Name:

Control/indication board

Special Features:

208-240 vac 3 phase, this item is circuit card without ribbon cable part number 91930-03

Terminal Type And Quantity:

12 ribbon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A500n0
