Overall Length:

2.000 inches

Overall Height:

0.180 inches

Overall Width:

0.198 inches

Unthreaded Mounting Hole Diameter:

0.066 inches all mounting facilities and 0.070 inches all mounting facilities

End Application:

Ea-6b prowler aircraft

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Beryllium and copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
