#### **Overall Length:**

2.000 inches

## **Overall Height:**

0.180 inches

# **Overall Width:**

0.198 inches

#### **Unthreaded Mounting Hole Diameter:**

0.066 inches all mounting facilities and 0.070 inches all mounting facilities

#### **End Application:**

Ea-6b prowler aircraft

#### Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

#### Material:

Beryllium and copper

## Shelf Life:

N/a

#### Unit Of Measure:

--Demilitarization:

# No

Fiig:

A03600
