End Application:

Arcc critical and essential power system (aceps)

Special Features:

Item description inverter acvi control pcb; reference data, typical application, ti 6980.102, fig 27-11, index 7, pg 27-26, vol 3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
