End Application:

Repeater cabi

Product Name:

Circuit board

Special Features:

Part number 330b5159g1 is a circuit board which fits into a box (part number 193d1428g1); the box cannot be purchased separately

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
