**Product Name:**

Three phase thyristor firing board

**Special Features:**

2-quadrant, 6 scr; no parallel scr; 50/60hz frequency; not used with a regulator board; 120/240 vac; power transformer connection from external source

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
