Product Name:

Enhanced pentium processor-based vmebus cpu

Special Features:

233mhz pentium processor with mmx; 128 vme 128mb no parity dram memory; vme bus with universe ii, 10-bbase2; 10baset/100basetx interface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
