End Application:

St-1000

Product Name:

Node control processor module

Special Features:

Part number: ncp-3; node control processor module for st-1000; required if the node houses a lgm or dsm-1; part belongs under the synchrony st 1000 spares category

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
