End Application:
St-1000
Product Name:
Node control processor module
Special Features:
Part number: ncp-3; node control processor module for st-1000; required if the node houses a lgm or dsm-1; part belongs under the
synchrony st 1000 spares category
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511k0
