**End Application:**

St-1000

**Product Name:**

Node control processor module

**Special Features:**

Part number: ncp-3; node control processor module for st-1000; required if the node houses a lgm or dsm-1; part belongs under the synchrony st 1000 spares category

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
