Overall Length:

2.750 inches

Overall Height:

0.062 inches

Overall Width:

1.750 inches

End Application:

Amx access systems, amx corp

Product Name:

16-channel custom panel interface

Special Features:

Input voltage - 0 to 12 volts; output voltage - 0 to 12 volts; inputs - 16 closure inputs with a common ground; outputs - 16 open collector outputs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
