End Application:

5895-01-467-7213

Product Name:

Single frequency (sf) trunk board

Special Features:

The single frequency (sf) trunk board has two 600-ohm, 4-wire circuits and a dsp microprocessor to implement in-band sf signaling.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
