Overall Length:

7.880 inches

Overall Height:

0.700 inches

Overall Width:

0.800 inches

End Application:

Nsn 4935-01-136-0233; shop equipment, guided missile system; w/s: missile, patriot

Mounting Facility Type And Quantity:

2 rivet all mounting facilities

Product Name:

Retainer assembly printed circuit card

Special Features:

Surface: chemical film iaw mil-c-5541, class 3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
