Body Style:

Tracked, flat

Overall Length:

12.000 inches

Overall Height:

0.250 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.028 inches all mounting facilities

Mounting Facility Type And Quantity:

7 unthreaded hole all mounting facilities

Material:

Glass fiber

Material Specification:

Ast-04349 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
