Overall Length:

6.700 inches

Overall Height:

0.050 inches

Overall Width:

0.200 inches

End Application:

Engagement control station, guided missile; nsn 1430010876338

Product Name:

Guide, circuit card

Material:

Plastic

Material Specification:

Astm d 4349 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
