End Application:

Module and power supply

Product Name:

Labview real time controller interface

Special Features:

One rs-232 dte port; 3 user defined, 3 predefined dip switches; weighs 286grams; minus 25 to plus 60 degrees celsius operating temperature; minus 55 to plus 85 degrees celsius storage temperature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
