Body Style:

Rectangular

Overall Length:

3.030 inches

Overall Height:

0.225 inches

Overall Width:

0.225 inches

Unthreaded Mounting Hole Diameter:

0.080 inches all mounting facilities

End Application:

Analyzer, receiver; tornado

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Card Quantity:

1

Material:

Aluminum alloy 6061

Surface Treatment:

Chromate

Supplementary Features:

Uses ms35338-135 lockwasher and nas620c4 flatwsher

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
