Overall Length:

9.000 inches

Overall Width:

7.750 inches

End Application:

Patriot missile

Product Name:

Printed wiring board

Special Features:

Material: plastic sheet laminated, copper clad

Terminal Type And Quantity:

1 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A500m0
