Overall Length:

5.300 inches

Overall Height:

1.000 inches

Overall Width:

3.100 inches

Product Name:

Electrical sampling module

Special Features:

50ghz. Bandwidth; single channel; 2.4mm precision connector; includes user manual, calibration data report, precision adapter to 2.92mm included with 50 ohm sma termination

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
