End Application:

Nuclear power plants

Product Name:

Controller pmc ethe

Special Features:

Dual port 100basefx ethernet network interface card (nic) with sc connectors; recommended replacement products pmc613fxrc

Functional Description:

Controller pmc ethernet

Reference Number Differentiating Characteristics:

Differentiated by hx qc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
