**Overall Length:**

9.100 inches

**Overall Width:**

4.500 inches

**End Application:**

Special electronics aircraft e2c

**Product Name:**

Relay crad

**Special Features:**

No. Of channels: 40; maximum switching voltage: 220vdc/250vac; isolated architecture: yes; available groups: a, b, c and d.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
