Overall Length:

9.100 inches

Overall Width:

4.500 inches

End Application:

Special electronics aircraft e2c

Product Name:

Relay crad

Special Features:

No. Of channels: 40; maximum switching voltage: 220vdc/250vac; isolated architecture: yes; available groups: a, b, c and d.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
