End Application:

Nuclear power plants; operator console assembly and parts list (receiving area), 55 ton and 58 ton cask controls

Product Name:

Inavy: analog input; drawing: analog input, 8 pt differential

Special Features:

Single-slot module; requires no external power supply

Functional Description:

Intelligent block transfer module that interfaces analog input signals with any allen-bradley/rockwell programmable controllers that have block transfer capability

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fiig:

A511k0
