Product Name:

High density pci interface

Special Features:

Mil-std-1553 multi function, two dual redundant channel, variable voltage pci interface board with irig-b rec/gen.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0

Mil-std (military Standard):

Mil-std-1553 spec.
