Overall Length:

6.300 inches

Overall Height:

1.400 inches

Overall Width:

7.000 inches

Product Name:

1x3 10/100 aggregation ethernet tap

Special Features:

Single transmit only monitoring point; 32mb memory; auto negotiation for data/speed; 11 leds show errors, power, speed, overflow, etc; universal power supply, 100/240vac, 50/60 hz; 12-20 watt; 2.3 amp; op temp 0 to 55 degrees c

Functional Description:

Allows failsafe passthru of duplex data over utp cat 5 ca

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
