End Application:

Ethercat

Product Name:

1-port ethercat fibre optic junction

Special Features:

Coupling of ethercat junctions; multimode glass fibre (mm); 2,000 m (100base-fx) multimode glass fibre; ethercat protocol; 100 mbaud data transfer rates; 1 x sc duplex plug bus interface; power supply from e-bus; 400 ma typical current consumption

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
