**End Application:**

Ethercat

**Product Name:**

1-port ethercat fibre optic junction

**Special Features:**

Coupling of ethercat junctions; multimode glass fibre (mm); 2,000 m (100base-fx) multimode glass fibre; ethercat protocol; 100 mbaud data transfer rates; 1 x sc duplex plug bus interface; power supply from e-bus; 400 ma typical current consumption

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
