**End Application:**

5998-01-581-1150

**Card Quantity:**

1

**Product Name:**

Retainer, pcb

**Special Features:**

lgt at 5 inches; standard finish is chem film

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-200/8 6061-t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
