Body Style:

Tracked, flat

Overall Length:

8.460 inches

Overall Height:

4.720 inches

Overall Width:

5.500 inches

Product Name:

Holder circuit card

Special Features:

Item marking 0.11 /0.13 inch high characters in contrasting color per mil-std-130; for complete designation of assembly refer to parts list pl114576 86; complete details refer to drawing

Material Specification:

Mil-std-454, requirement 9 military standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-std-454 spec.
